Our motto is you will get the complete solutions for your Local, Domestic & International courier & cargo needs. Our company offers you the best solution for your LOCAL, DOMESTIC & INTERNATIONAL Courier & cargo business needs by AIR, RAIL & ROAD on the most affordable rates.

# Company Profile

Incorporated in March, 2017, Supreme International has emerged as the leading national player in area of logistic support. We have across the Pan India offices in certain pockets of Maharashtra at the time of inception to 550+ branches & about 850+ service centers across 20 states, the company has registered a phenomenal growth in a span of less than 5 years.

While the enormous expansion makes it one of the fastest - growing courier service providers in the country, core focus on timely & assured delivery is the root cause of the grand success.

Existence of some of the top players from sectors such as banking, oil & gas, telecom, chemical, healthcare, insurance & media in company's clientele stands testimony to the efficiency and cost - competitiveness of the services rendered by Supreme International..

# Our Services

## Air Freight

Global demands can change overnight, putting a lot of pressure on your supply chain to deliver. Standard Air Freight comes with a choice of solutions that help you find the ideal combination of speed, cost, and frequency of flights for your supply chain needs.

## Road Freight

Supreme International provides surface cargo for part load as well as full load facilities as per the requirements of the customers. The advantages of road transport are its speed for short and medium distances, its flexibility and door-to-door service.

## Warehousing

Supreme International has its own facilities for the storage and transshipment of goods. We can store your goods professionally and efficiently obviously while taking your wishes into account. Apart from that, if so desired, we can also take care of your stock management.

# Service Guide

## Customized Offerings

Capitalizing on promoters' experience of over three decades in the field of courier services, Supreme International offers a range of services, which cater to the specific needs of clients in terms of nature of consignment, urgency and place of delivery.

## Domestic Courier Service

Facilitates assured & time-bound delivery of documents and small parcels

## Domestic Cargo Service

Meant for delivery of heavy consignments through air and surface transport modes involving use of special kind of vehicle, material handling equipment and dedicated manpower.

## Express Service

A specialized service for safe & assured delivery in the least possible time

## Core Focus

- Commitment to serve all segments of clients with high efficiency & cost-competitiveness.
- Continuous innovation to meet the ever-changing needs of the customers.
- Strong motivation to the workforce in order to maintain the standard of services.

# Our Special Service

## Pharma Industry

In the past 30 years, the Indian pharma sector has transformed from being non-existent to a world leader. It's success hinges on effective supply chain management with time-sensitive, patient - centric & cost-effective services. This is where Supreme International comes in with the complete gamut of secure, on-time, & accurate logistics, built to provide convenience to the end users. We provide a guaranteed next or second business day delivery across all metros and cities in India for your valuable belongings.

## IT Sector

Organisations often use our services to deliver work-from-home devices such as laptops, desktop computers, tablets, and mobile phones to their employees' homes. We offer quick day - definite deliveries and peer-to-peer deliveries, while keeping both convenience and transparency intact. We successfully enabled several multinational IT organisations to work remotely by transporting the necessary equipment to their employees' residences across India within a short time frame.
